

#	Part Description
1	On/Off Switch
2	Safety Interlock Switch
3	Performance Indicator Light (Green LED)
4	Air Proving Switch
5	24 Volt Transformer
6	Power Board
7	Fibreboard (with 4 Copper Contacts)
8	Copper Contact
9	Cord Assembly (Optional)
10	Lid for Power Box
11	Power Box Complete
12	Carbon Filters (Set of 3)
13	Prefilter
14	Cell Guide (Plastic)
15	Collecting Cell
16	Cell Handle
17	Door (with Plastic Clip & Handle)
18	Door Handle (Plastic)
19	Ionizing Wire
20	Male & Female Door Clip Set

Use Part Numbers When Ordering (See Separate Parts List)

Parts List

Use the diagram on the preceding page to identify the part which is required. To order parts call the number listed at the bottom of the page or call your local contractor.
